Nabtesco Acquires Canadian Automatic Door Sales Company Porta Service Inc. as a Consolidated Subsidiary

Nabtesco Corporation (headquarters: Chiyoda-ku, Tokyo; President & CEO: Kazuaki Kotani) is pleased to announce that it has acquired Porta Service Inc., a Canadian automatic door sales company, as a consolidated subsidiary as of July 5, 2013 by obtaining an additional 30% of outstanding shares in Porta Service through Nabtesco's wholly-owned U.S. subsidiary NABCO Entrances, Inc., headquartered in Milwaukee, which had already held a 40% equity stake in Porta Service.

Through the acquisition of Gilgen Door Systems AG in Switzerland in April 2011, Nabtesco developed a global quadrilateral framework in the automatic door business comprising Japan, the U.S., Europe and China, and has been working on business expansion in the global market. In the North American market, Nabtesco has been seeking M&A opportunities towards the reinforcement of distribution channels with a focus on NABCO Entrances, Inc. as a core company. By newly acquiring Porta Service, which has a dominant market share in parts of eastern Canada including Quebec, Nabtesco is aiming to further strengthen its operational base in North America.

The following is an outline of Porta Service Inc.
